All charges levied, including deposits, as per the charging policy will be subject to annual review by the Governing Body in Term 6.

2. ADMINISTRATION OF INCOME

Invoices will be raised on an agreed schedule.

Block Bookings

Invoices will be raised for a minimum of 10 sessions or termly.

When an invoice is raised in respect of services on which payment in advance relates, the full cost will be shown. This will be manually adjusted to reflect the payment in advance.

A receipt will be raised for all income received.

Cash and cheques will be kept in the school safe overnight and banked at least weekly. Cash retained in the safe overnight is not covered by Insurance Policy. The school uses Parentpay to take payments from parents for trips etc. so the amount of cash/cheques held in the school safe is minimal.

A monthly reconciliation will be performed by the Bursar to ensure that all income appears on the bank statement. This will be checked by the Headteacher.

3. CREDIT CONTROL

The credit terms for debtor invoices are 30 days.

A reminder letter will be sent to debtors who have not paid their invoices on the due date by the Bursar.

If the debt remains unpaid a further reminder letter will be sent 14 days from the date of the first reminder letter by the Bursar. In addition (if possible) the debtor will be contacted by telephone.

At this stage the Governing Body may refuse the debtor any further access to the school facilities until the debt is paid. The Governing Body will decide if the debtor is to be permitted to make further use of the school facilities.

The bursar will present to the Finance Committee at its termly meeting a report detailing outstanding debts by age and value. The Finance Committee will decide on the appropriate action to recover the debt. This may include legal action.

4. WRITE OFF DEBT

Write off debt will only be considered when the credit control procedures have been exhausted.

Before the close of the financial year a list of debts proposed for write off will be prepared by the Bursar and will be submitted to the Governing Body for consideration. The submitted list will be supported by details of the debt.

The decision of the Governing Body will be clearly documented in the minutes of the relevant meeting.

At the point the Governing Body approves a debt write off the debt will be cleared from SIMS by the Bursar. Such write offs will be cross referenced to the relevant Governing Body minutes.

5. CANCELLATION OF DEBT

In instances where an invoice has been incorrectly raised the invoice will be presented to the Headteacher with an explanation of why the invoice is required to be cancelled. The Headteacher will mark 'cancelled' across, and sign, the invoice, which should be retained for audit purposes.
