

WEST HADDON PRIMARY SCHOOL

Autumn Term

Nursery

Welcome

We would like to welcome all the children back after the summer break.

This term we have lots of new children starting their nursery journey with us and we would like to welcome Tommy, Evan, Thomas, Daniel, Daisy, and Thea. The children have been fantastic supporting their new friends and helping them settle into nursery life.

We have also had some staff changes over the summer. We would like to welcome Victoria to our team.

Topic

Our topic this term is. 'All about Me' we have already started with some self-portraits this week which are displayed in nursery (please come and have a look).

This will continue with learning about parts of the body and our skeleton using x-ray photos.

The children will have the opportunity to explore their different senses, touch, smell, hearing and taste through investigation. The personal, and social aspects will be looked at, learning about emotions and how people feel.

We're looking forward to a fun packed term!

Things to Remember

On Monday afternoons and Thursday mornings the children will be doing PE. If your child attends on either of these sessions could you please provide them with a PE kit of shorts, T-shirt and trainers/pumps.

Thankyou

Key worker Groups.

The new key worker groups will be displayed from Monday 10th September. I have organised them with the children's preferences in mind.

Assessments.

Over the next few weeks we will be carrying out baseline assessments on all the children. This is to help us build a picture of where they are within the EYFS. From this we can then plan to ensure that all children are learning at the correct level.

We operate an open door policy so please come and have a chat with us if you require any further information.

Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in. This could include watching a film, feeding the ducks.

If you can encourage your children to draw a picture and then annotate them we can then read them out during the week.

This is a lovely experience for the children to share with their friends.

**Our Value for this month is
Respect**
