

# WEST HADDON PRIMARY SCHOOL

Autumn Term

Nursery

## Welcome

Welcome back, we hope you've all had a lovely summer.  
We can't wait to meet all the new children who will be joining us this term and welcome back all our current nursery children.

I'm sure you've all been doing some exciting things over the summer, so don't forget to make use of your weekend books, so the children can tell us all about them.

## PE Kits

Our PE sessions will be resuming on Thursday morning, if your child attends a Thursday session can you please ensure they have a PE kit

Thankyou

## Cool Milk

If you haven't already, could you please also register your child for their free milk entitlement through Cool Milk at [www.coolmilk.com](http://www.coolmilk.com)

**Our Value for this month is  
Friendship**

## Topic

Our topic this term is. 'Me, myself and I'.

We will be learning about our different senses; parts of the body and what growth looks like. Along with where we live, different houses and features in our environment.

This is always a nice topic to begin the new academic year.

We're looking forward to a fun packed term!

## Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in. This could include watching a film, feeding the ducks etc.

If you can encourage your children to draw a picture and then annotate them we can then read them out during the week.

We also add in termly activities linking to the topic for the children to complete at home.

This is a lovely experience for the children to share with their friends during circle time.
