14<sup>th</sup> November 2025

## Giants Journey – Virtual Reality Day

The children had a fantastic VR experience day in school on Thursday; using virtual reality headsets. Children in Years 1, 4 and 5 stepped inside the human body following the journey of food through our body, witnessing the workings of the heart and lungs. Years 3 & 6 children took a journey exploring the vastness of space and learning about planets, stars and galaxies. Children in Year 2 went on a mini beast hunt bringing the hidden world of beetles, butterflies, spiders to life exploring their colorful habitats and their roles in the eco system.

Our children in Nursery and Reception will enjoy a special dinosaur experience next Thursday!

## Travel Safety

For children travelling to school on bikes and scooters, please can you ensure your children are within earshot of you so they can follow instructions particularly around The Green area which has cars pulling in and out. Please also ensure your children are not playing in between parked cars on The Green. Thank you

## African Dance Day

We have held African Dance workshops for the whole school day, children Nursery through to Year 6. The children wore costumes and learnt traditional African dance moves.

## Children In Need

Many thanks to our School Council for organising activities for Children in Need, with the PJ Day and selling merchandise we have raised £205.00.
