Newsletter No. 14

10th December 2021

Top 250 Schools in the Country 2021

I am delighted to tell you that our school was in the top 150 primary schools in the country according to the Sunday Times. This is out of 24,372 schools and we are the only primary school in the county to be in this list. This is a particularly fabulous achievement as this is the third consecutive year to get our school name on the list and shows that we have been achieving this accolade and maintaining standards over a long period of time.

Congratulations go to all our staff, governors, parents and pupils – by working in partnership we are providing our children with an excellent start in life. Thank you for your continuing support.

Football Update

Congratulations go to the school football team that came runners up in the Open Finals for this district. The children were top of their league and went into the finals on Thursday. We played two games, winning against Badby 2-0 but losing in the second game 4-2. Everyone did a fantastic job representing the school and I am very proud of their achievements.

Food Bank Donations

Thank you so much for all your food bank donations – we will be arranging for this to be delivered to the food bank in Rugby by the end of next week.
