YEAR 1 & 2 WOW DAY

Year 1 and 2 children had a Wow day this week to kick start their new topic on Polar regions. During this day the children completed some 'arctic' writing and art, as well as a range of exciting science experiments.

Fixed Play Apparatus

It's been a challenging time but our new fixed play apparatus is nearly complete and is looking fantastic. The soft rubber safety flooring is being installed but we do not have a completion time as the installation is weather dependent. The flooring needs 48 hours to set before walking on it – please do not tread on any part of the floor or there may be permanent foot prints in the surface!
