## YEAR 6 LONDON TRIP

Our Year 6 children had a fabulous time in London on Tuesday visiting the London Transport Museum and the Palace of Westminster. The trip was particularly special as we could see both the House of Commons and Lords in action as well as the passing of law from the Commons to the Lords.

## MOBILE PHONES FOR CHILDREN

I am aware that as children grow older they start to have their own mobile phones. Please note that children are not permitted to have their phone in school, including lockers. Should parents insist that their child needs their phone for walking to and from school, please ensure that the phone is handed into the office each day. This reduces the temptation of contacting others and the phones can be kept safe.

## Our Nursery Learning this Week

## Value Stars of the month go to:
