## Welcome Back

A big thank you to everyone for their support over the past lockdown – all the remote learning, understanding during the tricky times and kind words of support. I hope that the children quickly get into the swing of their routines over the next week or so. As the restrictions slowly start to be lifted we will be able to look forward to our community activities and summer events – it is unlikely that we will be permitted to do community worship for a while and it is likely that May Day celebrations will not take place but we are still hoping to be permitted to have a School Sports Day.

### The School Office

Due to COVID we are trying to limit the traffic to our school office. Wherever possible, please email or telephone to liaise with the office staff. We also request that you try to help your child to be organised in the mornings so that lunchboxes, water bottles, coats, glasses are not dropped off throughout the day. Thank you for your support.

### ABSENCE

Could we please remind parents that when informing the school of a child's absence, could you also please let us know the precise reason for the absence e.g. sickness, cold, temperature, continuous cough etc. Please also let us know for each day of absence. I am sure you can appreciate that it takes a lot of time to follow up each absence and it is particularly important to assess the situation whilst COVID is still in circulation.
