YEAR 6 VISIT TO THE HOUSES OF PARLIAMENT AND THE TATE MODERN

Year 6 children had a fantastic opportunity to go to London for the day this week. Their first stop was the Tate Modern where they saw artwork created by famous artists such as Mondrian, Pollock and Delaunay. The children were particularly impressed with the way the artists used different colours, textures and techniques to create abstract images.

After lunch there was a walk along the embankment to the Palace of Westminster where the children studied our country's rule of law. Year 6 were able to observe a session in the House of Commons and the House of Lords as well as learning about the history of our country and how democracy has evolved over time.

Our value for the month is **HAPPINESS**
