#School Games

As many of you will be aware, our school takes part in an area sports group and takes part in a range of festivals and competitions. So far this year we have taken part in indoor bowls, a Rugby World Cup, Arrows Archery, squash skills, indoor athletics and a superheroes festival. ADVERSE WEATHER – SCHOOL CLOSURES

As we are entering that time of year again when the weather could take a turn for the worse, we just wanted to let you know that Northamptonshire County Council will no longer publish the school closures on their website. If for any reason the school needs to close, we will inform parents via our website, our Facebook page, Twitter and messages via ParentPay.

SUPERHERO FESTIVAL

In the run up to half term some of Year 1 and 2 children took part in a Superhero Festival at Guilsborough Academy. We practised some superhero moves and skills, as well as working as part of a team. A big thank you goes to the Year 10 and 11 Guilsborough students who led these activities, forming part of their GCSE and BTEC course – I was very impressed with their leadership skills and patience!

SPONSORED READING EVENT

As part of this year's world book day we will be holding a sponsored read/listen to encourage children to read/listen to a wider range of books whilst also raising funds for new books for the children to read in the library.

The children will be given a reading sponsorship form on Friday 6th March and we ask that they return it to the office by Thursday 26th March. Each child who participates in this event will have their name put into a draw to win a prize. This sponsored event is being supported by Usborne books.

Our Value for this month is Easter
