Newsletter No. 3

17th September 2021

COVID Update

We will be re-introducing the one-way system from Monday 20th as the volume of traffic in and out of the school gate near the village hall can be quite high in the mornings and after school. Can I also please remind you that we would still ask if all adults could please wear a face mask whilst on the school site.

If your child is showing any symptoms of COVID - a high temperature, continuous cough or loss of smell and/or taste please **ensure that a PCR test is booked and the child self isolates until the test is returned.**

Fixed Play Apparatus

Please can I remind you that children are not permitted to use the fixed play apparatus before and after the school day as these areas are not supervised by our staff.

KIT OUT THE NATION

The latest BBC Local Radio Make a Difference Campaign was launched on Saturday 4th September – and it's called Kit Out the Nation. It was supposed to run for a month, but has now been extended until 12 October 2021.

The aim is to ask the people of Northamptonshire to donate new and nearly new sports equipment to help children and young people get more active.

If you would like to donate, please use the drop off zones (see link below).

If you are unable to get to any of the drop off zones, please feel free to drop any donations into school and we will take these to the Daventry drop off when we go swimming on a Friday.

Arrangements for Church

As it is our first Community gathering in quite a while next Friday, we wanted to let you know the precautions we have put in place:

- Children and parents will enter the Church via the front door and leave via the back the door.
- Parents need to sit at the back of the Church and the school will occupy the front.
- All adults to wear a face covering and gel upon entry and exit.

Although we realise it may be difficult, please can you limit the number of adults to one per family in order to reduce the numbers in the Church and take personal responsibility for your own safety.

Please remember to visit our school website regularly for useful information <http://www.westhaddonprimary.net>
