COVID Update

On Tuesday the last of the daily briefings was completed with Boris announcing the lifting of a number of restrictions. One of the key announcements was the one metre plus rule which can only be in place if there are mitigations. Since then schools have waited for further guidance from the DFE so that we know the implications of this on schools. To date, there has been no further guidance on this or the process for re-opening schools in September. We will therefore assume that our current procedures and measures should remain in place until the end of this term which ends on Thursday 16th July.

As the DFE has not published further guidance for September we will plan to open on Friday 4th September for all classes, although the likelihood is that there will be plenty of hand washing; a staggered school day and possibly the continuation of a half day on a Friday. I am really sorry that I cannot be more definite at this late stage, but rest assured, we will let you know as soon as the guidance is released from the DFE.

Do You Fancy Trying Some Art Activities?

Next Week is Children's Art Week

Why not take advantage of this lovely weather to look at our natural world?

- Make patterns in the sand
- Paint some of the blooms in your garden
- Build sculptures out of bits you find in the woods.

WORK BOOKS

We have collated all the children's work books/folders for this year and these can now be collected from the school office (each pack is in a carrier bag ready for you to take). Children that are currently in school will be given their packs to bring home. Any packs not collected by 10th July will be disposed of.

REPORTS/PE KITS

If you have still not collected your child's end of year report or their PE kit, these can be collected from outside the school office anytime during the school day.

READING BOOKS

Could you all please check at home for any school books (we seem to have a lot on loan at the moment!). All of our books should have a West Haddon stamp in them. Can you please return these to school by the end of the term so that we can get things ready for the start of the autumn term. Thank you.

Our Value for this month is Happiness
