## COVID Update

We now have 27 confirmed cases of COVID in school and this is causing major disruption to our day-to-day organisation. I am hoping that over the weekend the figures will have peaked but it will take time for things to get back to normal. We are still managing to cope, thanks to our wonderful staff who have agreed to work extra shifts and take on extra responsibilities. Please bear with us during this tricky time. Thank you for continued support.

## MOBILE PHONES/CAMERA DEVICES

Can we please remind you that children are not to bring mobile phones into school. If they need to for a valid reason, such as contacting parents when walking home, they should hand them in to the school office at the beginning of the day and collect again at the end of the day.

For safeguarding reasons, children are not permitted to bring watches or other devices that take photos. Should any child be found taking photos on a device in school, the device will be removed and parents will be required to collect at the end of the school day.

Thank you for your support in this matter.

## Year 3 and 4 WOW Day

Year 3 and 4 children have started their Roman topic with a WOW day this week. The children dressed up for the day and were busy completing artwork as well as learning about the start of Rome and its Empire.

**Our Value for this month is Respect**
