Our Fabulous New Castle

A huge thank you goes to the PTA and parents for helping to fundraise for our new castle. I know that the children are going to have a great time playing in the castle for many years to come.

We are in the process of having the LA and ROSPA check the construction so that we can minimise the risk to our children. Please be patient with us and ensure that your child does not use this before and after the school day.

Warm Clothing for School

The DFE has directed schools to ventilate their buildings in order to minimise the spread of the virus. This means that we need to keep our classroom windows open throughout the school day. Whilst this was easy for the summer months, it is becoming more tricky for the children now that the weather is on the turn.

Please can you ensure that children come to school with sweatshirts each day and you may wish to consider a warm vest under polo shirts to help keep the children warm – we have got the heating on throughout the school but with some of the windows open, it can be a little chilly.

Nuts in Packed Lunches

Just a reminder that we do have some children who have severe nut allergies in our school. For this reason we are a 'nut free' school. Please do not send in nuts for your child's snack or packed lunch; this includes peanut butter and hazelnut/chocolate sandwich filling. Thank you for your support with this matter.

E-SAFETY ACCEPTABLE USE RULES

If you have not yet returned your signed copy of the E-safety Acceptable Use Rules could you please complete and place in the box outside the main entrance. Thank you.
