## YEAR 3 & 4 ROMAN WOW DAY

Year 3 and 4 children had a fantastic Roman WOW day this week – the children learnt some roman maths, made mosaics and wrote about mythical beasts. The children looked great in their costumes too.

## HEADTEACHER AWARDS AND VALUE STARS

**OUR VALUE FOR THE MONTH IS RESPECT as well as practising for our Harvest Festival**

## Walking and Cycling to School

Walking, cycling and scooting are great ways to travel to school, particularly when adults walk with their child. As the children grow older some parents request that children walk to school on their own – we would recommend that children are too young to do this until the summer term of Year 4.

Similarly, some families scoot and cycle with their parents. We politely request that children do not cycle to school until they have passed their Bikeability training which usually takes place in the summer term of Year 5. Whilst we believe that it is important that children are given increasing responsibility as they grow older, cycling to school on the roads can be very dangerous if children have not received the appropriate training.

## Wellbeing in Autumn

There's nothing better than an autumn walk or a visit to a country home to top up our wellbeing and lift the spirits. Why not take advantage of the free family ticket from the National Trust this autumn – valid until the 20<sup>th</sup> October.
