YEAR 5 TRIP TO HAZARD ALLEY

Year 5 went to Hazard Alley this week to learn about how to keep themselves safe. The children completed a range of interactive practical activities to learn about potential hazards and how to respond. Activities included road safety, safety in the home, water safety, fire safety and personal safety. Year 6 are due to go on this trip in November.

PARENTS EVENING

If you have not yet booked your Parents Evening appointment for w/c 17/10, please contact the School Office on 01788 510318 to book.

SECONDARY SCHOOL APPLICATIONS

Parents/carers of pupils in Year 6 who are due to transfer to secondary school in September 2023 are reminded that the closing date for applications is **5pm on 31st October 2022**. If you have not already done so, please ensure that you apply for a secondary school place for your child and that this is received before the closing date. A late application will mean that the chance of getting one of your preferred schools is reduced.

School places are not automatically allocated to any child even if there is an older brother or sister attending a secondary school or you live in an area linked to a particular school.

FOOTBALL MATCHES

Over the past couple of weeks we have held some school football matches for girls and boys. The children enjoyed working together as a team and managed to draw one match against Crick, although the other games were narrow defeats. Well done Years 5 and 6.

Medicines

A reminder that staff at school are able to administer prescribed medicines to children during the school day. These should be given to the school office by a parent/carer. Children are not to bring/keep any medicines in school themselves.
