## Staffing Update

This week we appointed a new member of staff to our teaching team. Arlena Green will be teaching our Year 3 class from January onwards. At the end of the autumn term we will say our goodbyes to Miss Courtney who is moving to Croatia with her partner. What a new adventure after working at West Haddon School for 22 years – we hope she will have a fabulous time!

## Year 4 Writing

Well done goes to Year 4 for completing some brilliant persuasive letters linked to their Ancient Greece topic. They have been writing to King Aegeus, to persuade him to allow Prince Theseus to go and fight the brutal Minotaur. Mrs Williams was really impressed with the persuasive techniques as well as the ambitious language used.

## Year 6 WOW Day

As part of their learning, the children have taken part in a WOW day and made egyptian cartouches out of clay.

## Well done Olive

Congratulations goes to Olive for winning a design a T shirt competition during lockdown. As a prize, the whole Year 1 class received a free T shirt with Olive's design printed on it.

**Our Value for this month is  
Thankfulness**

## Polite Reminder

Please can I remind you all, that children must remain with the parent before or after school. Whilst it is tricky to wait for different year groups at the beginning and end of the school day, due to COVID safety regulations children must wait with their parent/carer and socially distance from other families. This means that children should **not** be playing in the castle, on the fixed play apparatus or playing on the school site with other children.
