It's Harvest Time!

We are really disappointed that we can't celebrate Harvest with you all in the church. To share our learning, we have created a little video of some choral speaking and artwork. We hope you enjoy it!

School Wrap

Just to let you know that Buzzie Beas will no longer be trading in the school grounds as from 31st October. To ensure that there is still before and after school provision for our families, our school will be running their own school wrap around care. If you would like regular childcare please contact Colette Bowers in the office for a registration form. If you are looking for adhoc childcare at the beginning or end of the day, we may also be able to help out but this will depend on the notice given and staffing ratios in place. We can accommodate wrap around care for any of the child who is registered at our school or nursery.

Please remember to visit our school website regularly for useful information <http://www.westhaddonprimary.net>
