Tues 28th Parents Evening

Wed 28th Parents Evening

Thurs 29th Parents Evening

March

Fri 1st Community worship – Happiness

Thurs 7th World Book Day (dress as a book character)

Fri 8th PTA selling gifts for Mother's Day

Maths

This term we will be looking at fractions, length and statistics as well as consolidating our written addition, subtraction and multiplication methods. Please remember to keep helping your child to practise their times tables regularly including asking questions in and out of order on the 2,3,4,5, 8 and 10 times tables and the associated division facts.

A helpful online tool that the children have been using at school to help get ready for the end of year 3 times table assessment is:

English

In our English lessons we will be writing an adventure story based on a natural disaster and looking at writing non-chronological reports linked to our topic work on flooding. We will also be editing and improving our own writing.

Topic

We will be continuing with our topic on Natural Disasters this term. The children will learn about earthquakes, tsunamis and flooding.

Homework & Spellings

Thank you for helping your child complete their homework each week which helps to consolidate their learning. Please ask your child to hand in their reading record with their homework folder by **Wednesday** each week. The reading record will be checked to see if the children have read with an adult at home at least **twice** in a week (signed/ initialled by an adult).

Spellings: The children will bring home their spelling book every Thursday to show you their test score and so that you can see which spellings still need to be practised. Please recap previous spellings, particularly the statutory spellings, ready for our spelling challenge at the end of each term.

Thank you

**Our Value for this month is
