

Nursery News

Autumn 2

Space and Christmas

This term we begin by looking at Space. We plan to go where no Nursery has gone before! The children will be sharing stories about Space such as *Whatever Next* by Jill Murphy and *Aliens Love Underpants* by Claire Freedman. We will be making some rockets and flying aliens and even baking some moon rocks.

As we move into December we will be focusing on Christmas. We plan to have lots of fun learning about this special time of year and what it means to us and our families. We will be learning some Christmas songs and hope you can join us for our Christmas Concert on **Tuesday 11th December in the school hall at 9:15 am**

Tapestry

Tapestry is an online recording and assessment system that we use to capture all the wonderful things that your children do. This system allows us to take pictures, make notes and make judgements on the Foundation Stage statements. Could all parents/guardians please ensure that Mrs Elliott has your most up to date email address to ensure that we are able to share your children's wonderful achievements with you all. Don't forget if your child has a Wow moment at home, feel free to add to Tapestry for us all to share.

Green Bags

It is lovely to see how much the children enjoy doing their 'homework' via the green bags. New ones will be issued from Monday 5th November. The green bags can be kept for a whole half term and returned by Friday 14th December 2018.
