

# WEST HADDON PRIMARY SCHOOL

Spring Term

Nursery

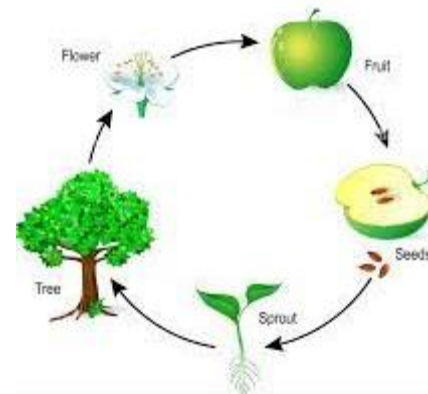

## Tapestry

Hopefully everyone is still able to see our regular updates on Tapestry, we have previously sent email activations to both parents however not all of them have been activated. If you need any support with the app, or activation emails resending please let us know.

## Topic

This term's topic is 'Woodland Wonders'. This is one of our favourite topics as we get to explore the life cycles. We will be exploring the life cycle of a tree to begin with. We will also be looking at woodland animals and where they live, and learning about plants.

## 2 Year Funding.

Applications are now open for eligible working parents of 2-year-olds to receive 15 hours free childcare, starting from April 2024. It's the first step in our promise to expand the 30 hours free childcare scheme for working parents from when their child turns nine months until they start school.

To check eligibility apply online through the link below.

<https://www.gov.uk/apply-free-childcare-if-youre-working>

## Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in. This could include watching a film, feeding the ducks. If you can encourage your children to draw a picture and then annotate them we can then read them out during the week.

We also add in termly activities linking to the topic, for the children to complete at home. These are published on Tapestry.

This is a lovely experience for the children to share with their friends during circle time.

**Our Value for this month is  
Happiness**
