

WEST HADDON PRIMARY SCHOOL

Term 5

Nursery

Welcome

We hope you all had a lovely Easter break, and ate lots of chocolate and enjoyed time with your families.

The sessions are filling up fast so if you require any additional hours please let either Gemma or Nic know.

Topic

This term's topic is 'Magical Lands'. We will be looking at differences between towns and the countryside. Exploring different castles and why they were built. The children will also learn about waterproof and non waterproof materials with some hands on experiments. Our children love water so this could be fun!

May Day 2025

The whole school have been busy rehearsing for this event. This celebration will take place on the 20th May, time to be confirmed. It's a really lovely event for all the family to enjoy. We will put a note on Tapestry for the children who do not attend on this day.

Weekend Books

This term's Weekend Book activities will be put on Tapestry. The children love sharing their experiences with their friends. If your child needs a new weekend book please let us know so we can provide you with a new one.

Cool Milk

If you haven't already could you please also register your child for their free milk entitlement through Cool Milk at www.coolmilk.com

Many thanks

**Our Value for this month is
Honesty**

Sleep Room

We now have a new sleep room within the main nursery classroom. This work has been completed over the Easter holidays and we are super excited to let the children try it out.
