

WEST HADDON PRIMARY SCHOOL

Autumn Term

Nursery

Welcome

Welcome back, we hope you've all had a lovely summer.

We can't wait to meet all the new children who will be joining us this term and welcome back all our current nursery children.

Although restrictions have lifted slightly we will still be collecting the children at the beginning of sessions and bringing them out to parents at the end of the day.

Thank you for your support.

Topic

Our topic this term is 'Me, myself and I'.

We will be learning about our different senses; parts of the body and what growth looks like. Along with where we live, different houses and features in our environment.

This is always a nice topic to begin the new academic year.

We're looking forward to a fun packed term!

PE Kits

Our PE sessions will be resuming on Monday and Thursday afternoons, if your child attends on either of these sessions they will need a PE kit.

Thankyou

Cool Milk

If you haven't already could you please register your child for their free milk entitlement through Cool Milk at www.coolmilk.com

Many thanks

**Our Value for this month is
Respect**

Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in. This could include watching a film, feeding the ducks.

If you can encourage your children to draw a picture and then annotate them we can then read them out during the week.

We also add in termly activities linking to the topic, for the children to complete at home.

This is a lovely experience for the children to share with their friends during circle time.

Please remember to visit our school website regularly for useful information <http://www.westhaddonprimary.net>
