Topic

This terms topic is 'superheroes'. We will be learning about people who help us locally, and across the world. Exploring different ways to travel and lots of interesting science experiments. It's going to be a busy term!

Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in. This could include watching a film, feeding the ducks.

If you can encourage your children to draw a picture and then annotate them we can then read them out during the week.

We also add in termly activities linking to the topic, for the children to complete at home.

This is a lovely experience for the children to share with their friends during circle time.
