

# WEST HADDON PRIMARY SCHOOL

Term 4

Nursery

## Welcome

This term we have lots of new children starting their nursery journey with us and we would like to welcome Robyn, Austin, Lawrence, Harry, and Imogen. The children have been fantastic supporting their new friends and helping them settle into nursery life.

Thank you to all the parents who attended parents evening, our parent partnerships are really important to us.

Thank you.

## Things to Remember

On Tuesday afternoons and Thursday mornings the children will be doing PE. If your child attends on either of these sessions could you please provide them with a PE kit of shorts, T-shirt and trainers/pumps.

Thankyou

## Supertato

Last term we had a visit from an 'evil pea' which captured our vegetables and tied them up, hid them outside and froze them in the water. The children absolutely loved this story and we planned lots of fantastic activities for them to enjoy.

**Our Value for this month is  
Care**

## Topic

Our topic this term is 'Minibeasts' we have turned our role play area into a tree house with lots of pictures, woodland animals and insects for the children to explore. Over this term we will be looking at growth, planting seeds and watching them grow over time.

We are looking forward to a fun packed term!

## Children's Drawers.

All the children have their own drawers which they can put art work in. There will also be invoices and letters for parents. Could we please ask that these are checked regularly as some children have very full drawers!

## Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in. This could include watching a film, feeding the ducks etc.

If you can encourage your children to draw a picture and then annotate them we can then read them out during the week.

This is a lovely experience for the children to share with their friends.

Please remember to visit our school website regularly for useful information <http://www.westhaddonprimary.net>
