Topic

This term's topic is 'wonders of the water'. This is a good topic to get us ready for the summer holidays.

We will be exploring different water forms sea, lakes and rivers. We have set up an interest area so we can learn all about the RNLI.

Weekend Books

All the children have weekend books. These are for your children to share their weekend activities/experiences in. This could include watching a film, feeding the ducks.

If you can encourage your children to draw a picture and then annotate them we can then read them out during the week.

We also add in termly activities linking to the topic, for the children to complete at home.

This is a lovely experience for the children to share with their friends during circle time.
