

What I should know already:

- ✓ I know that my senses are smell, touch, sight, feeling and hearing.
- ✓ I know that ice melts when it gets warm.
- ✓ I know where I live.

What will I know by the end of this topic?

- The features of different buildings.
- That different people help us in different ways.
- More about the people in my community.
- Push and pull are opposite forces.
- That there are different ways to travel.
- That you freeze water to make ice.
- How to take photographs using an Ipad.
- Why Mother Teresa was famous.

**Features of Buildings**

Skyscraper

House

Factory

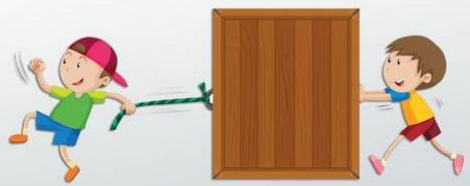

**Ways to travel**

**Science**

**Forces**

*push and pull are opposite forces*

**PULL**

**PUSH**

**Up**

**Down**

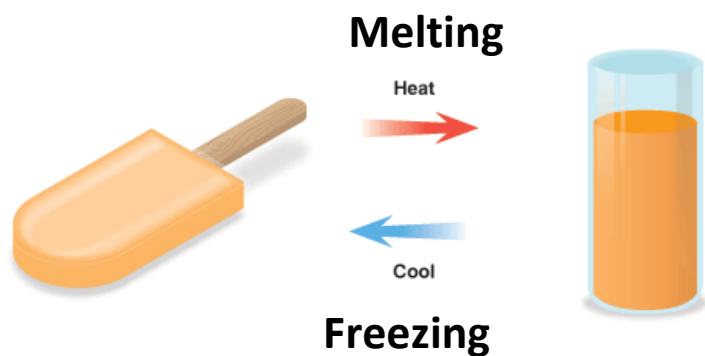

**Slope**

**Fast**

**Melting and freezing**

**Heroes**

Local Heroes	People Who Help Us	People who help across the world
Office staff	Doctors, nurses, paramedics	Charity workers <b>Mother Teresa</b> – A humanitarian. This means she did things to help other people.
Cook	Firefighters	
Lunchtime supervisors	Police	
Teachers	Dustbin people	
Head Teacher	Post people	
Cleaners	Vets
