

WEST HADDON PRIMARY SCHOOL

Term 4

Year 3

Welcome to Term 4 where there are lots of extra activities ranging from World Book Day, Science Week, Curriculum Day and our Year 3 assembly.

Dates and Things to Remember

March 6th - World Book Day

March 6th - Year 3 Class Assembly

March 20th - Curriculum Day

March 25th - Easter Bonnet Competition

April 3rd - Easter service

Maths

This term we will be looking at fractions, length and consolidating the addition and subtraction of 2, 3 digit numbers.

When the children are handling money at home (both notes and coins), encourage them to add up how much they have by starting with the largest denomination first. Then ask them to write down how much they have in pounds and pence explaining the relevance of the decimal point.

Please remember to keep reciting and asking questions in and out of order on the 2,3,4,5, 8 and 10 times tables and then the associated division facts.

Topic

We will be continuing with our topic on Natural Disasters this term. The children will learn about tsunamis and will create some art work based on this.

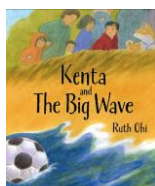

English

This term the class reader book is, **George's Marvellous Medicine** by Roald Dahl. Could you please read this with your child and return by 23rd of March. If you haven't returned, **The Hodgeheg** or **The Diary of a Killer Cat**, please return it in the next few days. Thank you.

This term's Spelling Bee will be tested during the last week. Children will either be tested on the Silver words only or the Silver and Beige words depending on the Bee they were given to learn.

In our English lessons we will be writing an adventure story based on a natural disaster and looking at performance poetry and writing on of our own.

Our Value for this month is Care and Easter

Please remember to visit our school website regularly for useful information <http://www.westhaddonprimary.net>
